Have you ever found yourself wondering where a beautiful, colored glass plate came from? What knowledge and skill went into making it? You know it's old...could it be valuable?

Come and see what we're all about! Attend one of our monthly meetings.

Meetings are held on the Third Tuesday of each month at **600 NE 21st Court, Wilton Manors, FL 33305** at 7:00 pm with a social gathering at 6:30 pm. The purpose of the Club is to promote an awareness of Depression Era Glassware and to promote glass collecting as a hobby. We sponsor an annual Show with many national vendors participating. The vintage American glass, pottery and dinnerware brought to the show is amazing!

Our friendly, informal meetings include guest speakers, light refreshments and occasional field trips. Annual dues are \$25.00 and additional family members are \$20.00 each.

For more information please visit our website at **SFDGC .com** or "Like" us on Face Book at **South Florida Depression Glass Club**

Please send bottom portion of the Application along with a **check made payable to SFDGC** in the amount of \$25.00 for one or \$45.00 for two members
